

# Complete Care Health Network New Multi-Specialty Health Facility

CSR Group, a Design and Build Company in Nutley, New Jersey has recently completed a new health facility for Complete Care Health Network Group out of Bridgetown, New Jersey. The facilities design is comprised of 20,000 square feet of Multi Specialties Health Care for the regional community.

The building's design of modern clean lines reflects the highly specialized services which the building will provide. A full medical and nursing staff will be on site to respond to the most immediate needs of the patient. Adult Medicine and Pediatrics, OB/GYN, General Dentistry and Dental Hygiene, Mental Health, Podiatry, Cardiology, Optometry, Radiology, Minor surgery, Physical Rehab, On-site pharmacy and Health education classes. Their Vineland Health Campus - a walk-in, multi-specialty health facility has all of the amenities of the best in primary, dental, mental and specialty medical care.
